To Whom It May Concern:

Every project supported by Elegant Interiors stands out for its attention to detail and overall style and charm. Cyndi Ashworth is an extraordinary interior decorator and is a pleasure to work with. As a tile and stone contractor, I am as much an artist as a builder, and I can attest to Cyndi's professionalism, integrity and ability to create works of art that are functional and comfortable.

All of her clients that we have worked with together have been completely satisfied by the quality of work and impressed by the time Cyndi made sure it was completed in. I recommend Elegant Interiors to all my clients who need guidance in developing the designs that will complete their projects and make their visions come to life.

*Sincerely,
Lester Meade*
